

Inveralmond Community High School

Headteacher
Mrs S Young B.Ed (Hons)

20 November 2020

Dear Parent/Carer

As you will be aware, the Scottish Government has introduced a new framework for tackling the Coronavirus pandemic. This involves each area of the country being placed in a different Level, ranging from 0 to 4. At each level, different steps are taken to limit the spread of Coronavirus. This includes some changes in schools.

West Lothian has now been placed in Level 4 from Friday 20th November, and as from Monday 23rd November, the following changes will apply in schools:

- Physical Education will now only take place outdoors. While the delivery of PE continues to be a priority, if weather is extremely bad, schools will use their judgement as to whether it is safe for children to be outside.
- Non-essential activities or clubs outside the usual school timetable will pause. This will not include regulated childcare operating.
- Children on the shielding list should not attend school. Parent/Carers of children on the shielding list should contact Mrs Paxton, Depute Headteacher, on 01506 280700 or alternatively on wlinveralmond-chs@westlothian.org.uk

All schools will review the existing measures they have in place to reduce the spread of Coronavirus, and remind all pupils of the importance of complying with these measures.

In line with Scottish Government guidance, face coverings should be worn by parents and other visitors to the school site (whether entering the building or otherwise), including parents at drop-off and pick up.

Please help us reduce the risk to all pupils and their families by encouraging your child(ren) to follow all the instructions they are given to maintain their health, safety and wellbeing.

Yours sincerely

S Young
Headteacher

We are working together to inspire learners and shape successful futures ensuring excellence and equity for all

Depute Headteacher: Mrs E Paxton, Acting Depute Headteacher: Mr K Varty
