Dear Parent/Carer

I wanted to take this opportunity to write to you to introduce myself as I begin my time with you at Inveralmond Community High School.

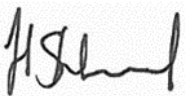

As you will be aware Mrs Young is currently not in school and is recovering from illness. I am sure like me you wish her a speedy and successful recovery. It will be my privilege to lead the school in her absence.

I consider it a great honour to be afforded the opportunity to become part of your community and work with your children and young people as we start the new academic session.

It is my desire to get to know the wider community of Inveralmond Community High School, the partners, parents and carers, staff, and the young people. I will seek to build on the good work of the school, ensuring that the young people are given every possible opportunity to succeed.

I very much look forward to working with you.

Yours sincerely

Hamish Shankland
Acting Headteacher
