West Lothian Virtual Academy

What you need to know about the West Lothian Virtual Offer

Almost all SQA exams and prelims will be sat within their base school to avoid unfamiliar settings and travel on exam days

All students have:

- 2 periods per week of "live learning" via Microsoft Teams
- All other periods are self-directed study/learning set out by the teacher
- there are 3 face to face opportunities per session for all courses

All arrangements for Additional Support Needs will be shared and discussed with students prior to assessments

West Lothian Virtual Academy

For Science courses that include an assignment there is home school support for the completion of the project

Each base school has their own West Lothian Virtual Academy contact, Mrs Waddell is ours and he is your point of contact for any questions or queries

Tracking and Reporting

- 3 Tracking updates throughout the session
- An online Parents/Carers Evening in February
- Surveys will be sent looking for feedback during the session and at the end of the course
