Headteacher; Mr. H Shankland  
Depute Headteacher; Mr. K Varty  
Depute Headteacher; Mrs. R Charters

Good Afternoon,

Subject: School Closure

West Lothian have taken the decision to close all schools and ELCs tomorrow (Friday 24 January) in light of the red weather warning. Our staff will do everything they can to support learning from home as far as is possible. This may look different to their planned classwork, but should enable pupils to continue to engage in their learning.

Tomorrow, pupils should work from home and as far as possible follow their normal timetable. Teachers will make work available to pupils via Microsoft Teams for all subjects and levels with the exception of:

- S1-4 Core PE: pupils should access the fitness videos available on the school website. No equipment is required.
- S1-2 Drama: materials on the school website
- S1-2 Music: materials on the school website

Work for the above can be accessed from our website, in the Expressive Arts Faculty section:  
Faculties - Inveralmond Community High School

West Lothian College have provided the following update for any pupils who attend college on a Friday afternoon: Due to the red weather warning issued by the MET Office West Lothian College have taken the decision to cancel all on campus delivery tomorrow, Friday 24th January. Tomorrow will continue to be a working day; however, all delivery will be carried out online where this is possible. If it is not possible lecturers will be in touch with learners to provide them with relevant tasks, again where possible. Learners should check their TEAMS and their emails for any communication from their lecturers.

Please stay safe tomorrow, we look forward to welcoming pupils back on Monday.

Yours Faithfully  
Hamish Shankland  
Headteacher

As a community we are working together to become inspired and fulfilled individuals who:

- Achieve to the best of our abilities
- Connect to the world around us
- Thrive now and in the future
