

How To Help Your Child Pass Information Evening

Mr Hamish Shankland
Headteacher

We are excited to invite you and your young person to our How to Help Your Child Pass Evening on January 29th, from 6:00 pm to 7:30 pm at Inveralmond Community High School.

This event is designed to support all our students to reach their potential, and we strongly encourage you to make the most of these sessions to ensure your child is fully prepared for the challenges ahead.

During the evening, we will cover a range of topics to help your child succeed.

Session include:

- Growth mindsets and time management
- Progress tracking and support
- Accessing Achieve and E-Sgoil
- Subject-specific top study resources
- Effective study planning techniques
- Setting SMART targets for success
- Wellbeing support to ensure a balanced approach to studying

Please sign up here to join us on the 29th of January.

Building Security

Please be advised that students should not allow entry to the school to other pupils or adults. They should walk past the doors and if need be inform an a member of staff if anyone is looking to gain entry to the school. Pupils should enter the school via the main reception entrance after 9am if late or if out of school for appointments etc.

Uniform Guide

A uniform guide has been created to assist parents, carers and young people in buying uniform which allows them to be part of our school community and adhere to our dress standards. Please click on the link below to access the attachment.

<https://inveralmondchs.westlothian.org.uk/article/84583/Uniform-Guide>

S3 Outward Bound Trip

We are running a trip to Outward Bound outdoor activity centre in Fort William from the 19th to 23rd May 2025. Last year we completed activities such as gorge walking, raft building, kayaking etc. Click the following link for more information.

<https://www.outwardbound.org.uk/loch-eil>

We have had a few spaces become available. If you are interested in this opportunity, please contact Miss Moran or Miss Callaghan in the Geography Department.

University of Stirling Economics Event

You're invited to an incredible event organized by our Division of Economics, in partnership with the Scottish Economic Society. This enriching experience will take place on Tuesday, March 4th, 2025.

Why Attend? Explore Economics Beyond Money: Economics isn't just about money and public finance; it's about the decisions we all make! It connects to subjects you love like Modern Studies, Geography, Math, Sociology, and Psychology.

Inspiring Students: We'll show you how Economics is relevant to understanding the world and a practical tool for everyday life.

Discover the University of Stirling: This is your chance to explore if Stirling is the right fit for your future studies!

Engaging Program: Talks from real-world economists. Guidance on university applications. Campus tour to experience the beautiful Stirling grounds

Important Details:

Registration: Opens at 9:00 AM. Program: 9:30 AM to 2:00 PM (lunch included). Funding Available: We can help with transport costs if needed. Don't Miss Out!

Register today: <https://tinyurl.com/yxrz8y6z>

Interested in a career in law?

The Law Society of Scotland has loads of resources to help you! We run a Legal Summer School every June.

Want to study law at uni? Check out our pupil and teacher handbook with info on applying to university and careers in law (available on Teams or via the school app).

Meet a real lawyer! Use the "Find A Solicitor" tool on our website to connect with local solicitors and hear about their experiences.

Full details on our website about qualifying as a Scottish solicitor:

<https://lawscot.org.uk/>

Any questions then email careers@lawscot.org.uk

Scottish Apprenticeships

Skills Development Scotland with parents and carers organisation, Connect, is hosting a free webinar for parents and carers on Scottish Apprenticeships on Tuesday, 4 March from 7pm to 8pm. The Zoom session will explain the types of apprenticeships available in school and after school, where to get more information and how to find the latest vacancies. Hear from an apprentice, employer and learning provider about the value and benefits of apprenticeships and the support available to take one. Register on the Eventbrite page to attend: <https://bit.ly/3P3DdIKMar25>

In2STEM

Are you interested in a career in STEM? If so, In2STEM is the perfect program for you!

In2STEM is a free program for current S5/S6 students from low socioeconomic backgrounds. The program provides students with in-person work experience placements in STEM settings, live online workshops, competitions, and induction and celebration events. Students gain hands-on experience working with leading scientists, researchers, and STEM professionals, and expand their personal and professional skill set. In2STEM is a great opportunity to:

- Gain hands-on experience in STEM
- Work with leading scientists and researchers
- Expand your personal and professional skill set
- Prepare for a career in STEM

The application deadline is Sunday, February 2, 2025. For more information or to apply, please visit our website: <https://in2scienceuk.org/>

UCL Masterclass (online) now open for applications

These masterclasses are online and designed to give young people an insight into a variety of specialisms at university. UCL Masterclasses are back with a brand-new range of taster lectures, giving Year 12s a taste of university-level teaching. From Ancient Hittite to the Abolition of Slavery in Brazil to the future of cancer research, there's a masterclass for everyone.

Masterclasses are a great platform to learn more about a subject and, at an hour long and hosted online, it's never been easier to join in and learn something new. For a full list of masterclasses available, please check the website via the link below. The application deadline for the March sessions is Sunday 23 February. Apply in link below.

St Andrews University Summer School

Applications for the Sutton Trust Summer School at the University of St Andrews are now open! The Sutton Trust's flagship UK Summer School offers you the chance to attend a residential summer school at a leading university and truly experience student life. At the University of St Andrews Sutton Trust Summer School, you will get the chance to gain insight into two different university subjects, be given support with your application to university, including personal statement guidance and general application support, and experience student life in the town by living in our halls of residence and exploring St Andrews for the week!

Costs for the Summer School are covered by the University of St Andrews and the Sutton Trust; it is free for you to attend! Click here for more info: [Summer School info](#)

Step into Healthcare

The NHS Lothian Step Into Healthcare Work Experience Programme is a unique opportunity for secondary school pupils aged 16 and over to gain practical experience and explore diverse career pathways in healthcare. The programme offers placements in various NHS Lothian departments, including Dentistry, Medicine, Midwifery, and Nursing. Participants will have the chance to shadow experienced professionals, engage in interactive workshops, and learn about different career options.

To find out more please access the following link:

Engineering the Future for Girls

The University of Strathclyde is hosting a free, 4-day program called "Engineering the Future for Girls" from May 19th to 22nd, 2025. This is a great opportunity for girls in S3 to learn about different engineering fields through fun and engaging challenges.

The program is fully funded and includes lunch each day. A contribution towards travel costs will also be provided. There are only 100 spots available, so be sure to apply soon!

Engineering the Future for Girls

19 - 22 May 2025

Engineering the Future for Girls is designed to engage girls in a range of engineering challenges that will inspire them to become the next generation of engineers.

This four-day, non-residential programme will run on the University of Strathclyde campus from the 19 - 22 May 2025.

There are 100 places available in total, all of which are fully funded by the industry partners. As a non-residential programme, participants will need to be able to travel to and from the University of Strathclyde campus (Glasgow City Centre) on all four days. A contribution towards travel costs will be provided and lunch will also be provided each day.

Scan the **QR code** or visit for information on the programme, including details on the application process and deadline for applications.

For further information, please contact engineeringthefutureforgirls@strath.ac.uk

Cyber Explorers Cup 2025

This exciting competition, led by the UK Government, gives you the chance to showcase your cyber security skills and win fantastic educational tech prizes. Cyber Explorers is a free, interactive online learning programme designed to introduce students aged 11-14 to cyber security. The programme helps you build crucial online safety skills to thrive in today's tech-driven world. The Cyber Explorers Cup is an online competition where teams race against time to help the Cyber Squad secure their new headquarters. The fastest and most accurate teams win!

Key Dates:

Entry deadline: 21 March 2025

Competition week: 31 March – 4 April 2025 (1-hour time slots for each team)

Winners announced: 30 April 2025

Competition Format: The competition is virtual, so you can take part from school or home. Teams of 4-6 students will solve a series of fun, challenging puzzles.

To give yourself the best chance of winning, it's recommended to complete the Cyber Explorers Challenges and Missions before the event. If you're interested in cyber security, this is a great opportunity to learn more and compete on a national stage!

Please see Mr Higgins in Computing if you are interested.

The Promise

Scotland made a promise to care experienced children and young people: you will grow up loved, safe and respected and by 2030 that promise must be kept. Mrs Webster is the current Care Experienced teacher to check in with if you have any questions, concerns or comments about the Promise or anything related to your experiences both in school and outside of school. If you want to talk to Mrs Webster at any point, please scan the QR code and fill in the MS form and she will arrange a time to see you.

S1 Break Times

S1 are to remain in school during break and lunch time. They are advised they should only be at the Astroturf park during lunch if attending the S1 Football Club.

Football Pitches - Lunch/Litter

Please be reminded that all food should be consumed in the dining hall. No lunches should be taken to the pitches and pupils should have their lunch before going there. If there is a build-up of litter then there will be no access to pitches at lunchtime.

NO SMOKING E-CIGARETTES OR VAPING ON SCHOOL GROUNDS

Sextortion is blackmail.

Don't panic. Don't pay.
Report it to police.

Criminals target you through dating apps, social media, text or email and manipulate you into sharing sexual content that they later use to demand money or more images under threats of public exposure.

More information about sextortion and what to do if you're a victim can be found here: scotland.police.uk/advice-and-information/internet-safety/sextortion

PLEASE BE AWARE

we are attempting to maintain a nut free environment in this establishment.

We are aware that we cannot guarantee a nut free environment, but we ask that you are aware and try to support us in reducing the risk for our school community.
