13 May 2025

Dear Parent/Carer

Further to the Groupcall Messages issued to all parents and carers from West Lothian Council about the cyber-attack on West Lothian Schools Network on Tuesday 6th May 2025, I'd like to thank parents and carers for their ongoing support.

As this is a live criminal investigation, and whilst West Lothian are working with all relevant external agencies including Police Scotland and the Scottish Government; all communication about the cyber-attack will come from West Lothian Corporate Communications.

Our school communication channels will be operating as normal:

- Our website is updated regularly. You will find the 'contact us' button on the top right of the home page. [Inveralmond Community High School - Inveralmond Community High School](#)
- Our School App has the school calendar and parents/carers can opt for push notifications. The app can be downloaded by searching 'school app for parents' on your app store.
- Groupcall is fully functional, and we will continue to Groupcall key attendance and other information.
- Our newsletter will continue to be issued to parents via Groupcall, and is located on our website. [Newsletters - Inveralmond Community High School](#)
- All messages for pupils are posted on to the pupils' year group Teams. We would encourage all pupils to use the Teams all and ensure notifications are enabled.

As a school our contingency planning has allowed for business as normal. Teachers are skilled in planning learning and will continue to adapt learning and teaching to ensure pupils receive the best possible experiences. I'd like to thank everyone in our community for their ongoing support which is enabling our young people to learn and succeed.

Yours Faithfully

Hamish Shankland  
Headteacher
